

# STAIRWELL BELAY SYSTEM

The Stairwell Belay System offers complete control and safety for evacuation. Controls the descent of the Evacuation Slyde/Bariatric Evacuation Slyde.

- **2 Stainless Steel Highly Durable Anchor Carabiners**

*Connects the stairwell belay device and stairwell belay rope to a firm anchor point and to the Evacuation Slyde.*

- **Stairwell Belay Rope**

*30' of rope to cover two flights of stairs controls occupants descent.*

- **Anchor Point Runner/Sling**

*Wraps around a firm anchor point and connects a second time to the anchor carabiner.*

- **Stairwell Belay Device**

*Provides friction to control the descent. Minimizes the risk of injury during decent.*

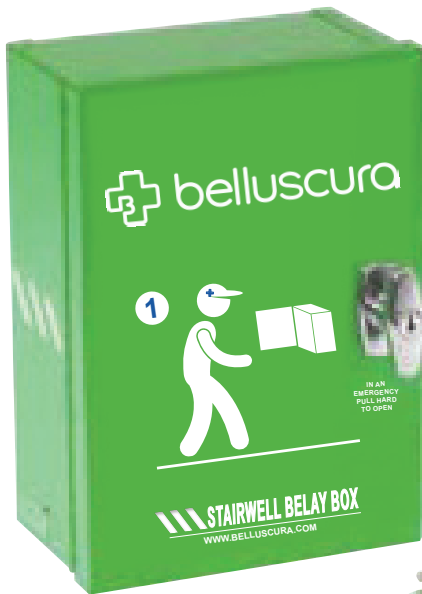

## The Stairwell Belay System

For use with the Bariatric Evacuation Slyde and the Evacuation Slyde.

Works great with the  
**STAIRWELL  
BELAY BOX**  
*see other side for details*

# STAIRWELL BELAY BOX
